Conference Schedule

The specific times for the schedule are not set, but here is the order of events:

- Introduction and welcome
- Big Event video
- Guest speaker #1
- A&M and OU joint presentation
- Roundtable #1
- Roundtable #2
- BREAK FOR LUNCH
- Guest speaker #2
- Roundtable #3
- Roundtable #4
- Question and Answer session

The A&M joint presentation with OU is to show you two different structures of The Big Event. The A&M Big Event focuses on doing over 1,200 smaller jobs for residents in the community, while the OU Big Event focuses on working with more than 250 non-profit organizations. The two committees and Exec staffs are also structured differently, and we’d like to show the differences between the two programs so that you may take from both schools and tailor them to your event.

The roundtables are an informal way to share ideas on different aspects of The Big Event. There will be five different roundtables to choose from, but only four time slots set aside for roundtables. This means that you will either have to choose the four roundtables that you are most interested in learning about, or, if you bring enough delegates, you may split your group up to be able to cover each roundtable. The five roundtables that will be available are:

- Student recruitment
- Tools and donations
- Community outreach
- Committee unity and Programming
- Executive training and transitioning
