

Committee Member Application

2018-2019
bigevent.tamu.edu

Howdy! Thank you for your interest in applying for the Big Event 2019 Committee! Your desire to be more involved in this organization's mission of saying "Thank You" to the Bryan/College Station community is a direct reflection of the Aggie core value of selfless service. A leadership position of this type can be demanding of your time, so please consider other previous commitments before applying. Listed below are mandatory dates for committee. Dues for the fall and spring will also be required in order to cover general expenses.

If the cost of membership is too burdensome, assistance is available. Ms. Kelly Boatright, a former director of The Big Event, has given a generous donation to help fund scholarships for those in need of financial assistance with their dues.
